HOW TO HEAL SKIN-DISEASES

A Baltimore dictor suggests this simple, but reliable and inexpensive, home treatment for people suffering with ensume, ring serm, rashes and sim-

flar Helsing, furning skin troubles.
At any reliable druggist's get a jar of resinol continent and a cake of resinol soap. These will not cost a bit more than sexenty five cents. With the resnol soap and warm water bathe the affeeted parts thoroughly, until they are free from crusts and the skin is softend. Dry very gently apread on a thin layer of the resinol ointment, and cover with a light bandage—if necessary to protect the ciothing. This should be done twice a day. Usually the distress-ing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.
